myData

Improve your operations and profitability with a complete picture of your business all in one place

- myHealthMart pulls your financial, clinical, operational and marketing information together so it's easy to see a comprehensive view of your business and take action
- Transparency into your data lets you stay on top of your business to make informed decisions.

2 When you arrive at the “Register Your Store” page, enter your NCPDP, McKesson Account # and McKesson Connect ID and then click “Find My Store.” Your pharmacy information will appear on the next window. If you have any problems validating your store, please contact Customer Support at 855.274.3855 or onlinesupport@healthmart.com.

Please note that the email address you provide will become your username for myHealthMart.

First, let's find your store.

Please provide us with all the information below so that we can pull up your store details.

* All fields are required.

Store Information

NCPDP

McKesson Account #

McKesson Connect ID

Find my store

- 3** Confirm that the pre-populated store information is correct. Accept the terms and conditions and select a password. Your password must contain at least 8 characters. One character must be a special character and one a capital letter.

We found your store!

Spring Valley Pharmacy
 1212 Boise Lane,
 Plano, Texas 75024

Please enter your account information and complete your store registration.
* All fields are mandatory.

5 Once you log in, you will be prompted to complete the final step of registration. Enter additional information about your pharmacy. You can edit this information later on in the My Profile and My Store sections.

Welcome, **John!**

As the final step of registration, we would like to learn a little more about you and your pharmacy. This information can also be updated in your **My Profile** section at any time.

Please provide the following information about yourself:

Your role(s) in the pharmacy:

Mobile phone number: Date of Birth:

Upload a profile photo (optional):

No file chosen

Image dimensions should be 110 x 110 pixels for best results.
File size cannot exceed 2MB.

Store Details

Please provide the following information about your store location.

Store:

Facebook URL:

Please select all of the services available at your pharmacy:

<input type="checkbox"/> Compounding	<input type="checkbox"/> Diabetes Consulting
<input type="checkbox"/> Drive-Thru	<input type="checkbox"/> Flu Shots
<input type="checkbox"/> Immunizations	<input type="checkbox"/> In-house Charge Accounts
<input type="checkbox"/> Mail Services	<input type="checkbox"/> Medicare Part D
<input type="checkbox"/> Medication Reviews	<input type="checkbox"/> Specialty Pharmacy

6 Invite other store employees and team members to myHealthMart. Use the Security Role and Permissions sections to control what information they will be able to view.

First name, last name and DOB of all invited employees should come from their government issued legal id.

Security Role: Select one of the following for each user invited to the portal:

- **Administrator:** Can edit and view all data.
Disclaimer: In almost all instances you only need one administrator per store. Anyone designated as an administrator will have full access to everything on myHealthMart.
- **Employee:** Can utilize the tools and information designated by the administrator who sets up their profile.

Permissions: Select the specific tools and information each user will have access to. The level of access this user will have to this data is determined by their security role.

Stores: Select which pharmacies this user will have access to. Once you have finished selecting the roles and permissions, click the “Send Invitation” button to invite that user to join myHealthMart.
